      This park is used by the Boys & Girls Club of Mar Vista, Culver-Marina Little League,
      soccer teams, and it’s open to the public for baseball, softball, bbqing, etc. Because
      of the drought, the grass has browned and is patchy that it has become a little
difficult to have smooth games. We’d like to explore options as to what can be done
to preserve this parks for the growing community. One thought is artificial turf.
