   a. Motion – “The Del Rey Neighborhood Council supports the 12 unit project at 4415 Slauson Avenue as presented with the suggested condition that the City of Los Angeles approve the reduction or elimination of the 22’ highway dedication on Culver Boulevard, and the space gained is allocated as an additional parking space to be placed among the planned buildings.” – [recommended for a motion of support from the Planning and Land Use committee - Motion by Matt Wersinger] – Jeff Lee of L.A. Urban Homes (the applicant) will be at the meeting to give a presentation of the project that has been presented twice at the Planning and Land Use committee. This project is on a piece of property that runs along the Slauson channel, extending approximately 600 feet south from Culver Boulevard. A brief description and notes from the Planning and Land Use committee meeting can be found in the public documents section of the shared drive under Agenda Item 7a for the General Board meeting.
   b. Discussion and possible nomination of a Del Rey small business for Council District 11’s Small Business Spotlight [Motion Possible] – Councilman Bonin spotlights various small business in his newsletters and this possible motion would be to endorse a local business to the council office.
   c. Motion – “Approval of up to $250 to Nadine Messier, or similar vendor, from the Election Outreach line of the Elections Section of the budget for the design of an outreach flyer and other material (postcards, banners) to solicit candidates for the 2016 Del Rey Neighborhood Council elections.” [from the Outreach Committee – Motion by Ellie Bertwell] – the creation of outreach materials to solicit candidates for the 2016 Neighborhood Council elections is critical and needed right away.
d. Motion – “Approval of up to $500 to GotPrint.com, or similar vendor, from the Election Outreach line of the Elections Section of the budget for the printing of an outreach flyer and other material (postcards, banners) to solicit candidates for the 2016 Del Rey Neighborhood Council elections.” [from the Outreach Committee – Motion by Ellie Bertwell] – the printing of outreach materials to solicit candidates for the 2016 Neighborhood Council elections is critical and needed right away.

e. Motion – The Del Rey Neighborhood Council shall submit a Community Impact Statement on the proposed Short-Term Rental Ordinance as follows: “The Del Rey Neighborhood Council supports the Los Angeles City Council Motion on short term rentals with the following additions: 1) any building with 4 units or less with an owner living on site OR any owner or tenant occupied unit or home that is a primary residence shall be allowed to rent with no annual limit on days; 2) all hosts shall obtain an annual license from the City once proof of eligibility is established. Any fees collected from such a license shall go towards administering and enforcing this and other existing laws regarding short term rentals; 3) hosts shall be responsible for complying with all City of LA Building and Safety standards and codes; 4) the City shall develop a set of standards for each host and failure to comply shall result in forfeiture of the license and/or a fine. Protection shall be in place to protect both renters and neighbors; 5) platforms shall only list registered units and display registration number in each listing; and 6) platforms shall disclose information deemed necessary by the City for enforcement and for collection of taxes, fees and statistics.” The Board should also consider the following additional items within the Community Impact Statement: 7) Any other property owner may apply for a permit with the written approval of 67% of homeowners within 500’; and 8) no license shall be required for the rental of a primary residence that is less than 30 days per calendar year. - [recommended for a motion of support from the Planning and Land Use committee - Motion by Matt Wersinger] - This proposed motion is designed to regulate the short-term rental of extra rooms, or guest houses throughout the city that are threatening the character of the neighborhood. The motion was considered by the Planning & Land Use Management Committee at recent meetings and the councilman is seeking input on the thoughts of Del Rey stakeholders. Further information is available on the documents website.

f. Motion – The Del Rey Neighborhood Council shall submit a Community Impact Statement on the proposed Baseline Mansionization Ordinance as follows: “The Del Rey Neighborhood Council recognizes the need to preserve the character of neighborhoods and not allow the construction of oversized, box shaped residences. However, the DRNC is concerned with the proposed Baseline Mansionization Ordinance’s focus on the allowable size of single-family homes at the cost of design exemptions that help create the charm and character of houses in a neighborhood. The removal of the exemptions for covered patios, porches and breezeways will encourage the enclosing of those spaces. The removal of the exemption of 100 square feet of over in height ceilings will restrict the design of transitional space between the first and second floors. And the removal of the 400 square foot exemption for the attached garage will result in detached garages that cover more of the available open space of the site or create detached covered carports. Therefore, the DRNC supports the proposed Baseline Mansionization Ordinance with the reinstatement of the three exemptions outlined herein.” - [recommended for a motion of support from the Planning and Land Use committee - Motion by Matt Wersinger] - The City of Los Angeles is considering revisions to the existing Baseline Mansionization Ordinance that would alter the available envelope of development for single-family homes within the City of Los Angeles. The proposed motion was considered by the Planning & Land Use Management Committee and the City is seeking input on the thoughts of Del Rey stakeholders. Further information is available on the documents website.
g. Motion – “Approval of $153.96 to GoDaddy.com from the Website line of the Outreach section of the budget for renewal of the website domain name for 2015 until 2020.” [Motion by Mariana Aguilar] – The website domain name was expiring in December 2015 and was extended for 5-years.
